Hi Tom,

After reviewing the Protective Order, it appears that the Order would prohibit your release of Secret Service documents to the DHS OIG, as it is a separate agency from the USSS/DHS.

Of course, I will be happy to work with the OIG in providing them with Secret Service documents if you would like to refer them to me.

Thanks,

Steve

Do you have any objection to me providing documents to DHS OIG, as set out in Friday's email?
